

*All Spruced Up . . . The Egg-head Special, Kenyon's first bus, has been handsomely repainted in white since it came into the possession of the College in February (see January-March Alumni Bulletin). The repainting was done by the J. H. Holan Corporation of Cleveland and was the gift of Howard Holan, president of the company. Mr. Holan is a personal friend of Allen H. Neff, '37, and W. H. Thomas, Jr., '36, vice president for development. J. H. Holan is one of the nation's largest producers of special utility trucks.*
